

A NEW MEMBER BENEFIT FOR YOU.

For all members whether individual or business.

It's a Mental Health and Virtual Healthcare Support program many of you have been asking for. We have teamed up with National Telehealth Solutions (NTS) to offer members a discount for a 24/7/365 access. For all of your individual mental health and virtual healthcare sessions powered by Teledoc- the oldest and largest telehealth provider in the U.S.

A few Highlights of this Virtual Health Benefit program:

It's a comprehensive staged mental health program designed to support engagement of the silent sufferer, addressing those individuals and families mental health needs while also addressing cost and liability concerns of employers.

It's a Standalone Program that does not connect with **any** insurance plan nor requires **any** underlying plan coverage. It's not an EAP and NTS only specializes in **Virtual** Healthcare benefit programs.

Tele-Therapy, Tele-Psychology, Tele-Psychiatry, Tele-Med

Our Solution Addresses:

Affordability. **ZERO COPAY** and **UNLIMITED** access.

Accessibility. **All levels** of comprehensive mental health care.

Household Challenges. Coverage can reduce employee stress by helping with home front challenges.

Productivity. Increasing productivity by helping those overworked become more productive and alleviating worker shortages by reducing time lost due to mental health issues.

Affordable Mental Health Care Plan (with a few added health care benefits)

Mental Health

24/7 access to therapists with **zero** copay

Physical Health

24/7 access to tele-health doctors with **zero** copay

These Special Rates are available to Chamber Members, their Employees and their Families.
